UNIVERSITY OF MYSORE.

Notification No. 16269, *dated* 24*th January* 1931.

ASSISTANT PROFESSOR OF MATHEMATICS.

1. Applications are invited for the post of Assistant Professor of Mathematics from candidates who have passed the Master's Degree Examination or any higher Examination in Mathematics specialising in Applied Mathematics or Mathematical Physics. Proved ability to carry on original research will be considered a qualification.

Applications from candidates who have passed the B.Sc. Degree Examination and who have published original papers of merit will also be considered.

Original papers, if any, should accompany the application.

The work of the selected candidate will be largely in Applied Mathematics.

2. The appointment carries a salary of Rs. 175 per mensem. The candidate appointed will be on probation for one year. He will be subject to the rules in the Mysore Service Regulations as regards salary, leave and allowances and College discipline.

3. The Assistant Professor is expected to train students for the several Degree Examinations of the Mysore University including the B.A. B.Sc. (Pass) B.Sc. (Hons), M.A., and M.Sc. Degrees.

4. The candidate selected will be required to join duty in the Central College, Bangalore.

5. Applications should contain the following particulars with necessary testimonials:—

Name, Nationality, Caste or Religion; Age and Date of birth; Academical qualification with dates of passing the Examinations; Present position, if any, and pay (if applicant has held more than one appointment, particulars of such appointments with dates and reason of termination in each case); Experience in teaching; Published papers, if any; Special qualifications; Other particulars, if any, with references.

6. Such applicants as are already in service should submit their applications through their official superiors.

7. Applications should be addressed to the Registrar, Mysore University, Mysore, and should reach him on or before the 28th February 1931.

Notification No. 16315, *dated* 24*th January* 1931.

Ordinance 59 page 5 of the Supplement to Volume I of the Calendar for 1928-29 has been amended as under:—

Add the following at the end:—

B. E.	...	4 years followed by a year's practical training.

B.Sc, (Hons)	do	3 years
B.E.	do	4 years followed by a year's practical training
M.B.B.S.	do	5 years"

(*Government Order No. D.* 763—*Uni.* 155-30, *dated* 20*th January* 1931.)

Notification No. 15322, *dated* 24*th January* 1931.

Graduates in arts or science of this University will be admitted to the Engineering and Medical Courses for a period of two years from 1st July 1931 according to the following rules:—

(1) Engineering:—Graduates of this University who have passed in Physics, Chemistry and Mathematics or Graduates with Honours having Mathematics and Physics for their optional subjects shall be eligible for admission to the B.E. degree course and these shall be required to take a supplementary course in Geology in the final year of the course.

(2) Medicine:—Graduates of this University who have passed in any two of the subjects Physics, Chemistry, Botany and Zoology, shall be eligible for admission to the M.B.B.S. degree course and these shall be required to undergo a course in the other two subjects during the first year of the course and pass an examination at the end of the year as prescribed in Ordinance 90 A.

Note.—The above conditions will apply also to B.A.'s or B.Sc.'s under the Old Rules.

V. GOPALASWAMI,
Registrar.
